RE-AMENDED ORDER

UPON the Court’s own motion

AND UPON considering the various claims and or proceedings listed in the Schedule to this Order (respectively, the “Proceedings” and the “Schedule”)

AND UPON the Proceedings all involving claims against an entity in either the Visa and/or the MasterCard group of companies in respect of interchange fee overcharges

AND HAVING REGARD TO section 16 of the Enterprise Act 2002 (as amended) (the “2002 Act”) and to the Section 16 Enterprise Act 2022 Regulations 2015 (the “2015 Regulations”)

AND HAVING REGARD TO paragraphs 8.3-8.6 and 8.10-8.13 of Practice Direction 30, supplementing CPR Part 30 (“Practice Direction 30”)

AND HAVING REGARD TO the overriding objective in CPR Rule 1.1

AND UPON the court concluding that it is appropriate to make an order pursuant to section 16(1) of the 2002 Act in conjunction with Regulation 2 of the 2015 Regulations in respect of the proceedings

AND UPON noting that the court may give such directions or make such order as it thinks fit to give effect to the determination of any issue by the Tribunal pursuant to Regulation 2(b) of the 2015 Regulations

AND UPON the court considering that it is appropriate to make this order on the papers and without a hearing

IT IS ORDERED that:

1. The Proceedings (as listed in the Schedule) are hereby transferred to the Competition Appeal Tribunal pursuant to section 16(1) of the 2002 Act and Regulation 2 of the 2015 Regulations. If and to the extent that:
 - (1) Any of the Proceedings have been determined, struck out or otherwise concluded, then this Order shall nevertheless take effect insofar as there remain any matters requiring an order of the court.
 - (2) Any of the Proceedings have already been transferred to the Competition Appeal Tribunal, then the earlier transfer shall be the effective transfer and this Order shall be ineffective as regards such Proceedings.
2. Pursuant to paragraph 3 of Practice Direction 30, this Order shall take effect forthwith.
3. This Order is not intended to alter, limit or exclude any element of the Claimants’ claims as constituted in this court prior to the transfer taking effect. If and to the extent that any element of the Claimants’ claims as constituted in this court prior to the transfer taking effect is not capable of falling within the jurisdiction of the Competition Appeal Tribunal on a transfer, or would be altered, limited or excluded by this Order or the transfer, it is not subject to this Order and remains within the jurisdiction of this court. This court may give such further directions or make such further order as it thinks fit in connection with the transfer and/or with any element as referred to above.
4. All matters arising out of paragraph 3 of this Order are reserved to Marcus Smith J.
5. The terms of this Order shall be notified to the parties by publication on the website of the Competition Appeal Tribunal and this shall constitute notice to the parties for the purposes of paragraphs 8.5 and 8.12 of Practice Direction 30 and CPR Rule 30.4(1).
6. No order as to costs.

7. This order has been made on the papers and without a hearing. If any party wishes to apply to vary or set aside this order, it shall do so on 3 days' notice to the other party or parties to the Proceedings and in any event with 28 days of the Order being notified pursuant to paragraph 5 of this Order. Any such application is reserved to Marcus Smith J.
8. Any appeal against the determination by the Tribunal of the issues transferred or any order giving effect to that determination in these proceedings shall be governed by the rules in CPR Part 52. For the avoidance of doubt, this paragraph 8 does not apply to any proceedings which (a) have been dismissed (or are awaiting dismissal) or (b) are deemed to have lapsed.

REASONS

1. In *Sainsbury's Supermarkets Limited v. Mastercard Incorporated*, [2018] EWCA 1536 (Civ), the Court of Appeal considered the jurisdiction of the Tribunal to hear claims for damages under section 47A of the Competition Act 1998 (which is what the Proceedings are) and indicated that it was appropriate that such claims be transferred to the Competition Appeal Tribunal.
2. The Proceedings all involve claims against an entity in either the Visa and/or the MasterCard group of companies in respect of interchange fee overcharges. A number of interchange fee proceedings have already been transferred from the High Court to the Competition Appeal Tribunal. In its case management ruling dated 16 March 2022, [2022] CAT 14 (the "Ruling"), the Competition Appeal Tribunal described the benefits of managing all such claims together. It is therefore appropriate to transfer the Proceedings to the Competition Appeal Tribunal.
